The David Malo Award

The David Malo Award was established by the Rotary Club of West Honolulu in 1957 to recognize and honor each year a person of Hawaiian ancestry who has made a noteworthy contribution in their chosen field of endeavor, whether it be in art, song, dance, education, government, religion, civic, business or sports. The award is named after David Malo whose accomplishments and life exemplify the ideal of high achievement and community service for the betterment of the world around us.
