Hello Wendell,

I received your note and the copy of the transcript of my interview for the Kumu Hula book. I very much appreciate your sending this for me to check over, as there were a lot of minor corrections that I wanted to make. I wish everyone was as thoughtful in this respect, as I have been misquoted several times in the past in various articles and have been highly embarrassed because of it.

At first I was going to re-type the whole page but after I started I thought better of it, and simply made corrections on the paper. I hope this will be alright for you. Please, if you have any questions as to any of the marks I wrote in, call and I'll clarify it.

I am happy to hear that the book is "on the way", as I know there were some obstacles in your way for some time. The photos I saw at Ala Moana Pavillion were outstanding in every way. I was very pleased with my photo and flattered that I was included with the real big names of the Kumu Hula.

A very BIG Mahalo to you for giving me this chance to proof-read and correct this article. I hope it will not cause any problems for you.

Very Best Aloha,

*Kent*
